

Following are some of the topics planned for the 24th Modelling the Railways of South Australia Convention:

- **900 Class Diesel**, by Des Egan
- **SAR Passenger Cars**, by Hugh Williams
- **Renmark on the Murray**, by Rodney Barrington
- **Modelling a Preserved Railway**, by Peter Mickalak
- **Grain Silos**, by Kenn Pearce
- **Riding the Narrow Gauge Ghan**, by David Griffiths
- and more printed articles on SA prototype and modelling.

Trade displays and models will be on view during the breaks. We encourage those attending to bring models to display. At this year's Convention we would like to feature models from any of this year's talks, or models made from previous Convention presentations for display. Each model displayed receives a ticket in a prize draw. There will also be a door prize, along with the chance to participate in draws for other useful prizes.

The convention fee will cover lunch, morning and afternoon teas and this year's notes. Accompanied spouse/children (must be over 12 yrs of age - FMC requirement) are also welcome for \$35.00/head (no notes). You can pick up previous years' notes if you are missing any from the sales desk at the Convention.

Early registration is advisable to ensure a place. There is a \$15.00 discount for registration and payment received by 15 July. **Please note that to avoid last minute reorganisation and changes to catering, there is a cut-off date for registration of 11 August. No registrations will be accepted after that date. \*\*\*Please use this form for registration—email registrations can no longer be accepted\*\*\*.**

An evening meal at a local hotel is planned again following the Convention. Please indicate if you are interested so arrangements can be made.

Hotels and caravan parks are nearby for people coming from afar. Please indicate if you need assistance in booking. Transport can be provided if required to and from the arranged accommodation to the Convention centre.
