

The following topics are planned for this year's Modelling the Railways of South Australia Convention:

- **The Henley Beach Line**, by Rodney Barrington
- **Military Trains**, by Dan Carmody
- **300 and 400 class Garratts**, by Phil Groves
- **Minnipa Layout**, by Peter Knife
- **The South Coast Line**, by Peter Michalak
- **Large Scale Modelling**, by Peter Lucas
- **AN and ARTC Train Control**, by Bill Lewis, Stuart Gamble and Geoff Groves
- plus more printed articles on SA prototype and modelling in the notes.

Trade displays and models will be on view during the breaks. We encourage those attending to bring models to display. At this year's Convention we would like to feature models from any of this year's talks, or models made from previous Convention presentations for display. Each model displayed receives a ticket in a prize draw. There will also be a door prize, along with the chance to participate in draws for other useful prizes.

The convention fee will cover lunch, morning and afternoon teas and this year's notes. Accompanied spouse/children (must be over 12 yrs of age - FMC requirement) are also welcome for \$40.00/head (no notes). You can pick up previous years' notes if you are missing any from the sales desk at the Convention.

Mask wearing is optional. Please consider the age and health of other people attending.

Please note that to avoid last minute reorganisation and changes to catering, there is a cut-off date for registration and printed notes orders of 20 July. No registrations will be accepted after that date. *Please use this form for registration—email registrations will not be accepted***.**

An evening meal at a local hotel is planned again following the Convention. Please indicate if you are interested so arrangements can be made.

Hotels and caravan parks are nearby for people coming from afar. Please indicate if you need assistance in booking. Transport can be provided if required to and from the arranged accommodation to the Convention centre.
